

# Virtual AFCA Meeting: Deer Overpopulation

With large in-person gatherings not possible, AFCA will hold a virtual meeting via Zoom web conferencing on Wednesday, May 20, at 7 PM.

The meeting will begin with AFCA President Esther Bowring providing a short update on issues of neighborhood-wide interest, including the County’s plans to delay the opening of the new Lubber Run Community Center (see article below).

The focus of the meeting will be a presentation about the growing deer population by the Arlington Regional Master Naturalists (ARMN). Virginia’s White-Tailed Deer were almost driven to extinction a century ago, but their numbers are so high today that they are destroying habitat for other wildlife and undermining the valuable ecosystem services provided to us by our forests.

In this presentation, we will learn how this population

cycle has occurred, and what it means for our parks, forests, and neighborhood. We will also hear about how some of our neighboring jurisdictions have chosen to approach the problem. In this virtual presentation, ARMN will show a PowerPoint slide show and will welcome questions.

To participate in this video meeting, click on <https://tinyurl.com/ybo8ftw6> between 6:50 and 7 PM on Wednesday, May 20. If you have never used Zoom, please view a short tutorial at <https://zoom.us/resources> listed under Joining & Configuring Audio/Video.

Alternatively, you can hear the presentation by telephoning 929-205-6099 where you will be prompted to enter meeting number 868 5307 3793 and password 719508. You may be prompted to also hit the # sign one or more times. This call-in number will be active starting at 6:50 PM.

## Lubber Run Community Center Opening Delayed for at Least a Year

By Esther Bowring

Arlington, like other cities and states, is facing plummeting tax revenues due to the COVID-19 virus crisis. Arlington now estimates that revenues will drop by \$56 million. The County is therefore revising its Fiscal Year 2021 budget (which begins July 1, 2020) to make up this shortfall.

Unfortunately, the savings plan includes delaying the opening of the Lubber Run Community Center, which was scheduled for this fall. The delay of at least a year will realize a savings in operational costs of more than \$1 million. Construction of the building and outdoor space will be completed as originally planned, but the building will remain closed.

A bit of good news is that the outdoor park and playground will open to the public as soon as the project is completed.

Over the coming months, AFCA will monitor the County’s budget situation. Should the revenue situation improve considerably, there may be an opportunity to request an opening of the Center during FY 2021. AFCA will keep you informed.

*Forester* is printed by *Minuteman Press*

## Editor's Note

The *Arlington Forester* welcomes articles, news notes, letters, and photos focusing on non-commercial events or issues specific to our neighborhood. We publish eight times per year (Sept to Nov and Jan to May). Deadline for submissions is the first of the month. E-mail submissions of up to 400 words to newsletter@arlingtonforestva.org. Space often fills up before the deadline.

## Thank You to Long-Time Volunteers By AFCA President Esther Bowring

AFCA extends its very deepest appreciation to three volunteers who have contributed so much to the neighborhood and are stepping down from their posts this summer. They are AFCA Treasurer Lauren York Mikoy, Arlington Forester newsletter Editor John Naland, and Laura Smialowicz, who designs and lays out the Forester and maintains the Arlington Forest website.

John and Laura have produced the Forester for 10 years. The newsletter is an essential communication that unites our neighborhood, enhances our sense of community, and relays valuable information about the Forest and Arlington. Many neighborhoods have no newsletter or any other way of directly reaching all their residents, so we are very proud of the work that John and Laura have done to ensure that all 851 Arlington Forest households receive a quality publication eight times a year.

John also coordinates the 12 teens who deliver the newsletter and works to find and keep our advertisers who cover most of the cost for printing and distributing the Forester. Most people are not aware of how much work goes into the producing the newsletter, so I hope you will join me in a very heartfelt thank you to these two dedicated individuals.

Lauren has served as AFCA Treasurer for six years and unfortunately will be moving out of the neighborhood. Being Treasurer is a vital and complex job and the importance of her work for our neighborhood cannot be underestimated. Lauren has worked diligently to ensure the accountability, accuracy, and timeliness of AFCA's finances. She has also been a thoughtful contributor during AFCA Executive Board deliberations, providing helpful insights and perspectives. On behalf of a grateful AFCA and all the residents of Arlington Forest, we say thank you to Lauren for her dedication and service.

Fortunately, Arlington Forest has community-minded residents and four have stepped up to continue this work. Starting in September, Hutch Brown will be the Forester editor, Leo Horwitz will do the newsletter design and layout, and Joan Blake will coordinate distribution. Finally, Jeffrey Horwitz has volunteered to be a candidate for Treasurer.

As the newsletter publication year ends, let us also thank our AFCA Board members and our neighbors who volunteered on the Neighborhood Conservation Plan Update committee, Lubber Run Amphitheater Foundation, and Lubber Run Farmers Market committee.

# Neighborhood Conservation Survey

A big THANK YOU to the 197 households who completed the survey that was announced in the March newsletter and in several AFCA listserv messages. Your responses and comments will guide drafters of the plan's chapters and recommendations.

Here are the next steps in updating our Neighborhood Conservation Plan:

1. Volunteer drafters update Plan chapters, using survey data and comments.
2. Reviewers with knowledge or interest in a chapter's topic (e.g. infrastructure, transportation, housing) comment on updated chapters.
3. The draft Plan is posted on the AFCA website for residents to review.
4. In the fall, we will discuss as a community the Plan update and recommendations, and then vote on whether to revise or submit the Plan to the County Board for approval.

If you can volunteer to help draft or review parts of the Plan, contact Neighborhood Conservation representative Liz Kauffman at 571-327-6497 or [lizkauffman@yahoo.com](mailto:lizkauffman@yahoo.com).

Note: Since our April 1 AFCA meeting with County Board member Christian Dorsey to discuss the Missing Middle Study was pre-empted by COVID-19, our neighborhood did not have the chance to discuss the study's search for ways to expand the supply of Arlington housing affordable for middle-income residents. Therefore, the Neighborhood Conservation Plan survey did not include questions related to the study.

You can learn about the study by searching for "Arlington Missing Middle Housing Study" to reach the County's page. For an easy-to-read presentation, search "NCAC Arlington" (Neighborhood Conservation Advisory Committee home page), then scroll down and click on "Missing Middle Presentation" just above the "Meetings" heading.

# Edison Park Project

Construction begins this month on Arlington Forest's Edison Park Neighborhood Conservation Project. Many thanks to the County Neighborhood Conservation Program and Department of Parks and Recreation teams for their hard work and creativity, and to the dozens of Arlington Foresters who helped build consensus on project scope and design features over the past two years.

The final plan reflects the Forest's collective wishes for separate play areas for ages 2-5 and 6-12, a swing, tables and amenities, native plantings, upgraded accessibility and safety features, and stormwater improvements. New shade trees on the Resource Protection Area abutting the streambed will help limit erosion, improve water quality downstream, and provide welcome cool shade.

Street parking will be restricted during construction which is scheduled to be completed late this year. The current playground was originally a small parking lot and was converted to a playground in the late 1970s after years of advocacy by local resident Mary Alice Glover.

Neighbors can direct questions to Arlington Forest's Neighborhood Conservation Representative Liz Kauffman (571-327-6497 or [lizkauffman@yahoo.com](mailto:lizkauffman@yahoo.com)) or to Project Construction Manager Brenda Parker (703-228-4790 or [bfparker@arlingtonva.us](mailto:bfparker@arlingtonva.us)). Search the County website for project details.

## Vote for AFCA Officers

According to AFCA's by-laws, the annual election of officers occurs at the regular May meeting. Given the COVID-19 situation, we cannot hold an official AFCA meeting in May, although there will be a Zoom presentation on deer on May 20.

Therefore, we have set up an online opportunity for dues-paying AFCA members to vote for AFCA officers for 2020-2021. The proposed slate is:

President- Esther Bowring; Northside Vice President- Joel Yudken; Greenbrier Vice President- Tom Smialowicz; Southside Vice President- Sean Lyons; Recording Secretary- Char Mahoney; Corresponding Secretary- Natalie Roisman; and Treasurer- Jeffrey Horwitz

To vote, go to: [www.surveymonkey.com/r/C3MT7YR](https://www.surveymonkey.com/r/C3MT7YR). Voting is open until June 1. The website offers the opportunity to write in another candidate of one's choice.

**St. John's Episcopal Church**  
*A vibrant congregation with a big heart.*

St. John's is conducting  
Sunday Services at 10 am via Zoom.

We welcome all who would like to join us.

# Support Arlington Forest Shopping Center Businesses

## By Natalie Roisman

The Virginia COVID-19 executive orders have significantly impacted the Arlington Forest Shopping Center. Here is how you can support the businesses we are fortunate to call neighbors:

Brooke Rental Center, 703-243-2122. Business has been light, but Brooke is open Monday-Saturday, 7:30 am-5:30 pm. While rentals of catering supplies are down, Brooke encourages customers to use this time for household jobs. Available equipment includes carpet cleaners, lawn aerators, and power washers.

Outback Steakhouse, 703-527-0063. Outback may re-open with limited seating when the executive order expires. For now, from 11 am-9 pm (10 pm on Saturday), Outback is open for curbside pick-up and delivery only.

Crystal Thai, 703-522-1311. Crystal Thai is open Monday-Thursday 11:30 am-9:45 pm, Friday 11:30 am-10 pm, Saturday 12 pm-10 pm, and Sunday 12 pm-9:45 pm, with no dine-in seating. When business is very slow, they may close around 8:30 pm. For pick-up, Crystal Thai has placed marks on the floor to encourage customers to stand six feet apart. In addition, the restaurant does a full cleaning every evening.

Full Motion Life and Sport, 703-536-5900. Full Motion Life and Sport is seeing chiropractic patients regularly, in-

cluding some new patients whose chiropractors are closed. Patients may wait in their cars instead of the waiting area. Healthcare professionals are masked.

New Forest Valet, 703-525-4354. Business for the dry cleaner is down to 15% of their usual level. They urge Arlington Foresters to clean out your closets, pull out anything that needs cleaning -- blankets, table linens, etc.-- and bring it in. If you do not want to enter the shop, they will meet you outside. Everyone on staff wears gloves and masks.

Brick's Pizza, 703-243-6600. The pizza shop, which is primarily take-out, has remained open. They have not had the same challenges as other restaurants and stores in the shopping center but would still welcome your business!

Sense of Place Café, 319-0414. With the removal of in-store seating and fewer customers visiting for take-out beverages and baked goods, COVID-19 has been challenging for Sense of Place. Beer and wine hours are canceled until further notice, and the shop is operating a reduced schedule 9 am-1 pm each day (except Monday).

Fashion Nails and Crystal Salon and Spa are closed. Keep an eye out for information about their re-opening once permitted.

Northern Virginia saw a total of 1,815 homes sold in March 2020, a 14.58% increase above March 2019 home sales of 1,584. The average home sale price rose by 8.89% compared with last March, to \$649,118. The March 2019 average sale price was \$596,142. Arlington's average sales price was \$755,323, up \$12.6%. April sales data is not yet available as of this writing.

In a time where conducting business has become virtually impossible, Northern Virginia real estate transactions were virtually possible during the month of March and April. Advances in technology, combined with initiative and creativity, have enabled those who must buy or sell a home during the COVID-19 crisis to do so -- while maintaining compliance with mandated safe business practices. Historical analysis shows that pandemics are usually V-shaped (sharp recessions that recover quickly enough to provide little damage to home

prices), and recent research shows the current slowdown is playing out similarly thus far.

With businesses starting to slowly open back up again in many parts of the country, it's important to understand how housing can have a major impact on the recovery of the U.S. economy.

***Real estate is a driving financial force in this process.*** Between residential investment and consumption spending on housing services, ***real estate contributes on average between 15-18% of GDP.*** With a strong US real estate market, housing is poised to help lead the way in the economic recovery.

With my local and national real estate connections, all report that showing activity was on the rise in April and prices are holding firm in most parts of the country. Many areas of the nation are seeing strong buying activity, DC area included. We are still experiencing multiple offers in Arlington with strategic marketing and pricing.

# Around the Forest

**Cancellations:** The County has cancelled the Lubber Run Amphitheater's 2020 performances. AFCA's neighborhood-wide yard sale is cancelled for this year. Also cancelled is AFCA's annual park cleanup, but you are encouraged to do mini cleanups on your own (see page 7). AFCA's Home and Garden Tour is postponed to next spring.

**Keep Informed:** Over the past two months, AFCA sent out several messages on its listserv updating residents on impacts of the virus crisis on our neighborhood. If you did not get those messages, it may be because you did not pay your \$10 AFCA dues during the annual dues drive last fall. Your next chance to pay dues is in September, but if you want to get on the AFCA listserv now, just email your street address (to show you are an Arlington Forester) to [arlingtonforestva@gmail.com](mailto:arlingtonforestva@gmail.com).

**World Class Run:** Arlington Forest's ultra-marathoner Michael Wardian outlasted 2,300 runners from 50 countries in "Backyard Quarantine Ultra" virtual race conducted via Zoom and social media in April. He ran 262.52 miles doing a loop in the Greenbrier Section for 63 hours without stopping to sleep.

**Notable Neighbors:** We note the passing of two long-time residents:

-- Timothy F. O'Leary, Jr, passed away in March at age 75 after a long battle with cancer. He served as AFCA president from 1986 to 1988. He also served for over a decade as AFCA's representative to the Neighborhood Conservation Advisory Committee, playing a key role in securing County funding for the 2006-2011 project that eradicated invasive plants from Lubber Run Park.

-- Mayo Cox, of North Greenbrier Street passed away at age 94 in December 2019. He, his wife Muriel, and their three sons moved to Arlington Forest in 1964. He is survived by two sons and numerous grandchildren and great-grandchildren.

**Benefit Concert:** Residents of the 100 block of N. Granada St. turned out in force on May 2 sitting along the sidewalk in camp chairs ten feet apart to hear a concert by neighbors to raise funds for the Arlington Food Assistance Center (AFAC). Former U.S. Army Band musician Tony Walker organized the event and played piano. He was joined by neighbors Retta Laumann and Anna Nowalk on vocals. Current U.S. Army Band member Bob McDonald also sang several songs. They raised \$445 for AFAC while everyone enjoyed seeing each other.

No maples are included; red maple is overused as a street tree and therefore prone to infestation and die-off.

Almost as many smaller trees are planned, including familiar varieties from our local woodlands, such as redbud, American holly, and hornbeam (with those smooth sinuous trunks you can see along Lubber Run). Pawpaw is on the list, along with sweetbay, fringetree, and serviceberry.

The Arlington officials responsible for our natural areas undoubtedly approved the selections. We can thank them for choosing so many native trees!

## Spring Cleanup

Social-distancing rules required the cancellation of AFCA's ninth-annual Spring Cleanup last month, but individuals and family groups can still do mini cleanups to improve our public spaces for spring and summer enjoyment. If anything, the need is greater than usual since a side effect of the recent increased foot and bicycle traffic is more litter along our sidewalks and park trails.

Removing litter from lawns, sidewalks, streets, and parks keeps it from being washed into storm drains and then into our streams and rivers. Besides being unsightly, litter harms marine ecosystems. For example, many birds, fish, and other marine organisms die each year after ingesting plastics.

The place to start is in front of your house. Check it regularly to pick up plastics and other trash that may be dropped, blown in by the wind, or fallen from a trash truck.

If you walk, jog, or bike in our local parks or on paved multi-use trails, you can take along a trash bag the next time you go. When finished, either leave the tied-up trash sack next to a County trash can or carry it back to your home trash cart.

# Barcroft School News

Congratulations to Sandra Doyle for being recognized as an APS Support Employee of the Year! Sandra runs the food service department at Barcroft. She is dedicated to serving the children delicious and healthy meals. She takes such good care of Barcroft students and provides their meals with love. This is a well-deserved honor! And tremendous thanks for all the APS nutrition service staff that have been providing meals during the school closures.

In addition to APS provided meals and Friday backpack buddies, Barcroft has been supplementing groceries and supplies to Barcroft families in need (see photo). This is an ongoing need that continues to grow. Starting in mid-April, Barcroft PTA and staff set up a more structured grocery pick-up distribution for our families. Food distribution takes place on Tuesdays from 4:00 - 6:00 pm in front of the school. This is for families of Barcroft Elementary School students only. All in attendance are asked to wear a mask if possible, as advised by Virginia policy, and to maintain social distancing of 6 feet.

We could not do this without your help! We are fortunate to have such a generous and thoughtful community at Barcroft and our Arlington Forest families, and for that we are all thankful. We are accepting both financial and food donations.

If you are interested in helping, please email Barcroft PTA's president at [president@barcroftpta.org](mailto:president@barcroftpta.org).

**W-L Principal Retires:** Dr. Gregg Robertson, principal of Washington-Liberty High School, announced that he will retire this summer. After 17 years as W-L principal, he now plans to teach at the college level.

## Selling your house during this Unsettling time

An all-inclusive experience—one-stop shopping as it's also known—has never been more important as it is today. At a time of disruption, we need simplicity. That's why I'm glad to be part of Long & Foster, a company that provides me not only with advanced tools and technology, but also with affiliated companies, so that my clients can conveniently and seamlessly go from contract to closing - and we can do it all virtually to keep you and your family safe. I wish you good health. If you have any questions about the current real estate market, don't hesitate to reach out to me. As a part of the Long & Foster family, I'm here to serve you and your family with your real estate needs.

*Your Neighbor in Arlington Forest*

# Barrett School News

Our community has faced unprecedented challenges over the past two months. We have seen great need in our Barrett community. Fortunately, the compassion and generosity of our school community is just as great. As the closure of the school year became permanent, the Barrett PTA and other members of the school community began an earnest effort to solicit and collect donations beginning in early April. Many teachers, friends, and families have stepped up -- through financial donations, grocery gift card donations, and many other creative ways -- to help support our effort.

In total, so far, we have received more than \$25,000 worth of monetary and grocery gift card donations. Through two rounds of distribution so far, we have given away about \$20,000 worth of grocery gift cards -- to 167 Barrett families in the first round, and 222 families in the second round. In addition, through funding provided by the PTA, we were able to provide 274 school supply kits to Barrett students. Many others have reached out to us to help with our effort. Managers from CVS and Macy's have provided many packages of candy as part of our distribution, while former Barrett PTA President, Jennifer Sauter-Price, provided books from her R.E.A.D organization.

A heartfelt thank you goes out to the Arlington Forest community -- many of you have donated and supported

our efforts in many ways. Without your support, we would not have been able to do what we've done -- the Barrett community will forever be grateful.

The spirit of our school continues to be strong throughout this pandemic. At our first-ever virtual PTA meeting in late April, almost 50 members joined in on the meeting to hear from two Barrett parents talk about the struggles of many families in our community.

Finally, after seeing a video ([https://youtu.be/mhluXW\\_2IDw](https://youtu.be/mhluXW_2IDw)) put together by Barrett staff and teachers, dancing and singing to the tune of "I'm Still Standing", Sir Elton John retweeted the video, commenting, "The staff at @BarrettAPS recorded their own music video to @TaronEgerton's version of "I'm Still Standing" and it's so much fun!"

We are still standing!

The Lubber Run Farmers Market in the Barrett School parking lot has reopened for the season and is open Saturdays 8 AM to noon.

For info on vendors and policies, go to <http://lubberrunfarmersmarket.org>

## Coronavirus Update

I sincerely hope that you, your family and loved ones are doing well in these unprecedented times. This pandemic has reminded me that in life -- the one constant is change.

Fortunately, our industry and Long & Foster specifically have been able to adapt to change well over the years. With Covid-19, we continue to adapt. Long & Foster remains open for business, but has closed their offices to the public, and has implemented policies and procedures to make everything safer for our clients. From Skype house walk-throughs for buyers to leveraging our robust technology infrastructure, CachionHomes has been able to serve buyers and sellers alike during the past couple of months. While distance settlements may feel different, it is part of our adaptability that has allowed us to help clients buy and sell their homes safely even in these difficult times. Everyone please stay safe!

Member Long & Foster Executive Club.

**עץ חיים**  
**Etz Hayim**  
Congregation

We offer a vibrant Religious School, a Preschool with part- and full-day options, social action activities, Israeli Folk Dancing, adult education classes, a Jewish-interest library, and much more!

Congregation Etz Hayim is a warm, inclusive, Conservative congregation that reveres and embraces the rich heritage of our Jewish traditions and teachings. As a modern, egalitarian community, we encourage diversity and freedom of expression, recognizing that each of us chooses our own path in Judaism.

*Welcome home to Congregation  
Etz Hayim—you belong here.*
