## November AFCA Meeting Agenda

by John Naland

Local crime trends top the agenda of this month's Arlington Forest Citizens Association meeting on Wednesday, November 14, at 7 PM in the Barrett School library. Officer O'Daniel of the Arlington County Police Department will give an overview of recent trends, discuss crime prevention strategies, and then answer questions from meeting participants. See a related story on page 5.

Also on the agenda is a vote on the next project to propose for funding by the Neighborhood Conservation Advisory Committee. Our previous NCAC project was the \$485,000 improvement to the playground in Glencarlyn Park near the end of S. Park (construction will take place next year). Now is the time to propose our next project.

In response to calls for input publicized in this newsletter

and on the AFCA listserv in recent months, seven people suggested improving/upgrading the N. Edison St. playground to make it more attractive to older children, two people suggested constructing a dog park in Lubber Run Park on the site where the swings used to be, and one person suggested replacing all of the street lights in Arlington Forest.

Residents with additional input should send it to Tim O'Leary, Arlington Forest's Neighborhood Conservation Representative, at [tfoleary310@gmail.com](mailto:tfoleary310@gmail.com) by November 11. Please attend the November 14 AFCA meeting to vote for your preferred project.

Finally, AFCA meeting participants will also likely discuss the extended power outages that followed Hurricane Sandy.

## Last Call for Dues

The annual AFCA dues drive that began in September ends this month. If you have not yet sent in your \$10 dues, please clip out the coupon to the right and return it to your AFCA vice president today. Last year, 324 of the 853 households in Arlington Forest (38%) paid dues. So far this fiscal year, just 252 households (30%) have responded. Participation rates by section are Northside-31%, Southside-31%, and Greenbrier-28%.

Your dues support AFCA's activities which enhance the quality of life in our neighborhood. Examples include the annual Holiday Party (see page 4 for details), the Tree Grant program (see page 11 for details) and the printing and distribution costs of this newsletter that are not covered by advertising revenue. This year's dues will also help to fund the spring 2013 Arlington Forest Home Tour and initial planning for Arlington Forest's 75th anniversary celebration in 2014.

So please send in your annual dues today if you have not already done so.

## Neighborhood Notes

By John Naland

My family and I are getting better about preparing for multi-day power outages. After being caught short on vital supplies during winter storms several years ago and after the derecho storm this past June, we made sure to start preparing days before Hurricane Sandy hit. We stocked up on non-perishable food, topped off the car's gas tank, recharged our cell phones, and made plenty of ice for use in an ice chest.

Until after dark on the day the hurricane hit, it looked like our preparations might be unneeded. But, at about the same time that Reagan National Airport measured its highest gust of the storm (60 mph), the power went out on our block. Until our lights came back on 25 hours later, my family made good use of our emergency supplies.

While Sandy did not snap as many trees and branches in Arlington Forest as did the 70 mph derecho, parts of the Southside did lose power for three long cold days. With the power out, you could hear the hum of generators from a few houses. Other houses were quiet as people left to stay with relatives or in a hotel.

But most residents stayed put, dressed in layers, and added another blanket to their beds as nighttime temperatures dipped to the low 40s. Those with fireplaces put them to good use. Impromptu gatherings of neighbors took place as residents emerged from their powerless houses to walk around the neighborhood.

County government responded well to the emergency. Before sunrise on the day after the storm hit, I saw a police car driving through our neighborhood -- presumably checking for blocked roads or other hazardous conditions. The parks department was out quickly to clear obstructions from bike trails and parks.

More questionable was the responsiveness of Dominion Virginia Power which did not give estimates of when specific neighborhoods would see power restored -- thus leaving residents in the dark about how long they would be in the dark. Also, postings on the AF Moms listserv reported that some residents had to telephone Dominion customer service representatives several times before they inputted the outage report into their database.

Thankfully, hurricane and thunderstorm season is over for the year. But, with snow and ice season ahead, I guess it is time to buy more flashlight batteries.

# Kids Halloween Parade

As pictured, dozens of little princesses, wizards and other costumed wee ones participated in the annual neighborhood Halloween parade on Saturday, October 27. Starting at the Arlington Forest Shopping Center, the parade headed to the playground at Lubber Run Community Center. Attendance was very good despite the last minute date change to beat the arrival of Hurricane Sandy. Many thanks to Jen Beer for organizing this event again this year.

# Santa's On His Way

By Chris Scheer

Arlington Forest kids of all ages get a jump on the holidays with an early visit by Santa on Friday, December 7, at the annual Arlington Forest Holiday Party in the Lubber Run Recreation Center.

The jolly old elf will arrive at 7 PM borne by an Arlington fire truck -- his traditional mode of transportation -- and he won't depart until he's had a personal chat with every child. But don't wait until 7 PM arrive! Before Santa shows, everyone will gather on the lawn along George Mason Drive to light the Lubber Run tree and wait to greet Santa's exciting arrival aboard a siren-blaring pumper. Then it's inside for live music, caroling, holiday goodies and Santa lap-sitting.

Don't forget to bring a plate of goodies to share. AFCA will provide holiday punch and a few snacks to get things started; and parents, don't forget your cameras.

This Wednesday's AFCA meeting (Barrett School library at 7 PM) will discuss planning and preparation for the Arlington Forest holiday party set for Friday, December 7, at 7 PM. Volunteers are needed to help set up and tear down, lead singing and manage activities for the kids. If you want to help or if you have a group that might provide special assistance – table crafts for kids, elf assistance for Santa,

caroling – please contact Chris Scheer at 703-276-9725 or by email at [scheerjchris@gmail.com](mailto:scheerjchris@gmail.com).

# Crime Prevention

By John Naland

*Below are suggestions gathered from various law enforcement agency websites on steps that we can take to prevent crime.*

-- At home: Good locks, simple precautions, neighborhood awareness and common sense can help prevent most property crimes. Do not leave bicycles or other easily-stolen items outside. You may want to leave porch lights on at night or install motion-activated lights that come on when someone approaches the house at night.

-- Help your neighbors: Be alert to any suspicious activity outside your neighbors' houses since half of all home burglaries in the U.S. occur during the day when alert neighbors could potentially spot and report the thieves.

-- Do not leave valuables in your vehicle: If you must leave packages, GPS devices or other valuables in your car, put them in the trunk.

-- Maintain the neighborhood: Dark streets, litter and run-down areas attract criminals. Report streetlights that are out (see page 9 for details). Participate in neighborhood cleanups.

-- Take precautions in public: Stay alert and trust your instincts. If you feel uncomfortable in a situation, leave. Carry your purse close to you, with the opening or flap

towards your body. Never leave a purse unattended in a shopping cart.

-- Whenever possible, park and walk in well-lit areas: Be aware of your surroundings, especially the people around you.

-- Carry a cell phone: If someone makes you suspicious or uncomfortable, call the police.

-- When away, make your home look "lived in": Have a friend or neighbor collect your mail and newspapers or have your service suspended while you are away. Use timers to turn lights off and on.

-- Involve all family members: Following simple rules such as "the last one in locks the door" and "store your bike when you finish riding it" can help to avoid thefts.

-- Protect credit card numbers and other personal information: Carefully dispose of receipts that have a credit card number on them. Never provide credit card information in response to unsolicited calls or emails.

-- Report all incidents: Even if the loss is minor and/or the criminals are long gone, reporting incidents allows the police to look for trends that might help to identify, arrest, and convict crooks responsible for multiple crimes. In Arlington, call 703-558-2222 for non-urgent reports. For emergencies, call 911.

# What Arlington Forest Means to Me

By Amanda Bisnauth-Thomas

On September 30th, I was typing up an email to send to my neighbors about our annual Columbus St. block party and it made me realize that I have been living in Arlington Forest for 16 years. That makes me and my family old timers. People have moved since and we have gotten new neighbors but the spirit of the community has remained the same. My neighborhood is made up of houses, businesses and a school (Barrett Elementary) but it is not the buildings that make it special to me. It is the PEOPLE that live and work and occupy those buildings that make Arlington Forest special to me.

I have been critically ill several times and I never knew that people can be so extremely generous and supportive until it was directed to me and my family. I would like to let all those wonderful people know that they have touched our lives in numerous ways that they are not aware of. They have shown us what it means to be part of a caring and giving community. During my illness I have gotten to know my old friends better and made some new ones.

First let me say that the teachers, parents and students at Barrett Elementary are the best. They are providing a caring and nurturing environment for my son Thornton but even more so when my family was experiencing our medical crisis. Parents and teachers delivered meals to my home and provided child care when necessary and they listened when

Thornton needed to talk. I am fortunate to know each and every one of you. Your words of encouragement contributed tremendously to my speedy recovery. I treasure the stack of get well cards and the largest Valentines card I have ever received. They were done with love and caring from the students and teachers.

My neighbors what can I say you are the BEST. Every kind word, visit and expression of concern is appreciated. You all stepped up to the plate when we needed your help without us asking. This is one of most rewarding and experiences of my life and this Thanksgiving I would like to say to all of you that have touched our lives and continue to do so that we are grateful to be living in Arlington Forest neighborhood. Happy Thanksgiving.

# Around the Forest

**Storm Cleanup:** Residents must make a special request for the County to pick up unbundled brush. Go online to <http://egov.arlingtonva.us/SolidWasteRequests/> or call 703-228-6570 to request pickup. The normal requirement for brush to be less than 18-inches in diameter has been temporarily waived. Any cut wood left at curbside is fair game for free pickup by other neighbors to use as firewood unless otherwise marked with signs.

**Newsletter Delivery Crew:** This newsletter is delivered to your doorstep eight times a year by one of our 15 dedicated carriers. **Cub Scouting News from Pack 548:** Your Arlington Forest Cub Scout Pack is off to a great start this school year. At the October Pack meeting (see photo) the Scouts listened to a guest speaker from the Guide Dog Foundation ([www.guidedog.org](http://www.guidedog.org)) and learned about why people need guide dogs, how they are trained, and what the boys should do and not do when they see a guide dog. It was a very interesting presentation and the Scouts now have a deeper awareness of the challenges faced by people with disabilities. Pack 548 is looking for new Scouts (1st through 5th grade) so please contact Cubmaster Carey Johnston at 703-243-3570 or [johnston.carey@verizon.net](mailto:johnston.carey@verizon.net) for more info.

**Arlington Villages Project:** The second speaker at the October AFCA meeting explained the "Arlington Villages Project" which helps people over age 65 remain in their own homes as long as possible by coordinating social services such as daily check-in and rides to medical appointments. An article about the project appeared in the September

*Arlington Forester*. The project's website is [arlingtonvillages.org](http://arlingtonvillages.org). To get involved, contact Pete Olivere at [peter.olivere@arlingtonvillages.org](mailto:peter.olivere@arlingtonvillages.org) or at 703-626-2520.

**Better to Light One Candle ...:** With the longer nights here, it is a good time to look up and down your block to see if any street lights are out. It takes only a few minutes to report an outage to the County online or by telephone. See the County website for details. While some street lights are serviced Dominion Virginia Power, reporting them to the County is supposed to initiate corrective action regardless of which entity is responsible.

**Code Enforcement:** Representatives of the Arlington County Code Enforcement Office gave an informative presentation at the October AFCA meeting. They reported handling 45 cases in Arlington Forest over the past year. Some began as complaints from residents regarding a neighbor's non-compliance with care of property regulations. Other cases were initiated by the Code Enforcement Office itself during quarterly block-by-block inspections of all neighborhoods. An owner who fails to correct their violation faces fines and, in extreme cases, being charged with a criminal misdemeanor. With winter coming, the Code Enforcement Office is gearing up to enforce the snow ordinance that requires residents, businesses and churches to remove snow and ice from public sidewalks adjacent to their property within 24 hours after snow stops falling. They are also enforcing a recently-strengthened Code provision that prohibits leaving inoperative motor vehicles outside. A list of key Code provisions was printed on page 5 of the October *Arlington Forester* (available at [www.arlingtonforestva.org](http://www.arlingtonforestva.org) under the "Newsletters" tab).

**Leaf Season:** Reminder, between now and mid-January, do not put leaves in plastic garbage bags or trash carts. Vacuum leaf collection in Arlington Forest is tentatively scheduled to take place Nov 12-14. Look for

notices on telephone poles for updated scheduling. The second and final vacuum collection will not occur until mid-December, so now is a great time to get your fallen leaves out to the curb. Please pile up only leaves. Biodegradable bag collection has begun and will continue until Jan 11 on the day after your regular trash pickup. Please do not include dirt, stones, litter, or other debris. See the County website for details.

**AFCA Tree Grants:** As detailed in last month's newsletter, a matching grant is available to Arlington Forest residents interested in planting a shade tree on their property. Available are grants of up to \$125 to cover one-half of the cost of buying and planting a tree. There is a limit of two grants per property and funding is limited to the first 10 applicants. The tree must be selected from the list of desirable shade trees endorsed by the County's Urban Forester as listed on the Tree Grant Application which is on the AFCA

website ([www.arlingtonforestva.org](http://www.arlingtonforestva.org)) under the AFCA tab. The application must be approved before the purchase of the tree. For more info, contact AFCA Tree Grant Coordinator Colleen Green at [greencolleen@gmail.com](mailto:greencolleen@gmail.com).

**Tree Stewards:** Applications are being accepted for the 2013 Class of Tree Stewards. Tree Stewards are volunteers dedicated to improving the health of our urban trees through educational programs, tree planting, demonstrations and tree maintenance. New volunteer training will be held on Wednesday evenings, starting Feb. 13 through April, with some Saturday mornings. Fun and interactive training on tree care is provided by recognized experts. For more info, visit [www.TreeStewards.org](http://www.TreeStewards.org) or call 703-527-2349.

**Christmas Tree Collection:** The County's Christmas Tree collection program runs Jan 7-18 on your regular trash pickup day. Trees are ground into wood mulch, so please remove the tree stand, lights and decorations and do not place the tree in a plastic bag.

**Long Branch Nature Center:** Nature abounds at our nearby nature center which is open Tuesday to Saturday, 10 AM to 5 PM and Saturday, 1-5 PM. Check the newsletter The Snag on the County website for a list of the many programs for children and adults.

# Barrett School News

A lot has been happening in our community! Luckily, Barrett students were able to return to school on Wednesday, October 31. We're glad that our neighbors at Barcroft were back on track shortly after. Thank you to the Arlington Forest Civic Association for its generous donation of \$200 to the Barrett PTA. These funds will help support a quality education experience at Barrett.

Barrett held its annual **Halloween parade** on November 2. Students submitted posters and essays to compete in the Career Poster and Essay Challenge on October 31. Barrett families had a great time ice skating together at Kettler on Election Day.

Barrett's **Dogfish Head Alehouse Fundraiser** has been rescheduled to Tuesday, November 20 from 11:30 a.m. to 11 p.m. All day, Dogfish Head will donate 15% of their gross sales to Barrett's PTA. There will also be a raffle with great prizes. All community members are welcome!

The **Barnes and Noble Bookfair** will be held on Saturday, December 1 from 10 a.m. to 2 p.m. at Barnes and Noble Seven Corners. Join us at this popular annual event. Listen to your favorite teacher read a story; play games; sing songs; buy a raffle ticket; shop for the holidays and raise money for Barrett!

Volunteer Opportunity Interested in enhancing literacy in the classroom? Consider becoming a **Barrett Roving**

**Reader.** This popular program welcomes parents, grandparents, and other community members into the classroom as guest readers during special days. If you love children's literature, enjoy reading to groups, and believe in the power of stories for promoting positive self-esteem and appreciation of diversity, then contact Rosa Briceno ([rosa.briceno@apsva.us](mailto:rosa.briceno@apsva.us)) to find out more.

Clothing donations needed for **Barrett's clothing closet**. Specifically: leggings, sweatpants, short sleeved shirts, underwear, socks, tennis shoes, coats, jackets (new or gently used for K-5th graders only). These items can be dropped off at the front office. Contact Pamela Rodriguez at [Pamela.rodriguez@apsva.us](mailto:Pamela.rodriguez@apsva.us) with any questions.

**How's the Market?** The biggest factor affecting our local market this year is a higher demand and a much lower inventory of homes for sale. September 2012 activity in the local housing market has cooled slightly (which is a typical seasonal pattern) although remains above September 2011 levels. Closed sales are up 4.7% from last year and the median sales price is up 6.5% from last year (the highest September median price in five years). New contract levels are strong, up 9.6% above last year although down 6.4% from last month. The overall supply of active listings is down 43.5% from this time last year and will likely keep prices stable even as demand slows. Home prices in the \$300,000 to \$500,000 range are still the most sought after for affordability although we are still experiencing multiple offers for many sectors of the market. Arlington remains one of the strongest real estate markets in the DC area.

**What remodeling project in the Washington DC area provides the highest cost recouped?** According to the Remodeling 2011-2012 Cost vs. Value Report ([www.costvsvalue.com](http://www.costvsvalue.com)) an entry door replacement (steel) yields 98.1% of the estimate job cost of \$1,207 at resale. Other popular improvements are a wood deck addition yielding 91.3% (est. cost of \$10,696) and a minor kitchen remodel yielding 85.1% (est. cost of \$19,700). Check out the website for nationwide and Washington DC averages or contact me and I'll send you a hard copy or email you a PDF copy. Curious about resale values of improvements for your home? Contact me for advice on what to do (and more importantly what not to do) when investing on home improvements! If you have the desire to move up to a larger home, or just move in general, now is a great time to take advantage of the buying power today's rates offer.
